SESSION DESCRIPTIONS FOR 2018 SPRING CONFERENCE

Apps in the Classroom (1.5 hours): This presentation will review legal requirements and best practices surrounding the use of Education Apps in the classroom. It will showcase common items seen in Terms of Service Agreements and discuss how some of these agreements might not align with FERPA. Finally, it will address how your district can develop its own policy surrounding the use of these apps in the classroom.

Outcomes include: review of legal privacy requirements; examination of school or district practices and potential problems; and technical assistance on incorporating best practices. Presenter – Ross Lemke, Privacy Technical Assistance Center, US Department of Education

CEPI Update (1 hour): This must attend session will cover what's new at CEPI and what you need to know about current and upcoming collections. Presenters – Trina Anderson and Tosha Johnson and Doris Mann, CEPI

Data Breach Response Training – An Interactive Simulation (1.5 hours): An interactive role-based simulation of a K-12 district-level data breach, focusing on the processes, procedures, and skills needed to respond. This can be customized to other levels/organizations. Review of the current plan for data breach response. Revised response plan, incorporating lessons learned and best practices. Presenter – Ross Lemke, Privacy Technical Assistance Center, US Department of Education

Data Quality Tips and Tricks (1.5 hours): Description Pending. Presenters – Christian Anderson and Paul Cameron, Macro Connect Inc.

Day and Hours (3 hours): What counts? How do you handle passing time? How do you calculate hours? This session is both nuts and bolts of the basics of Days and Hours and includes an opportunity for auditors and district staff to hear how 'the other half lives'. An overview of current requirements as they relate to the school district calendars is also included. Presenter – Rob Dickinson, Executive Director, MPAAA

Demystifying the GAD (1.5 hours): The interaction between auditor and the data specialist/pupil accountant cannot be underestimated when it comes to Graduation and Dropout (GAD) process. Join MPAAA Executive Director Rob Dickinson to discuss the requirements and time lines for reporting and correcting the students that make up your graduation rates. A review of regulations and requirements will be discussed, and best practices on finding every possible student to minimize losses will be shared. Presenter – Rob Dickinson, Executive Director MPAAA

Early Middle Colleges – Reporting in Depth (1.5 hours): Has your district implemented an Early/Middle College program? You are not alone. This programmatic option is taking off throughout Michigan. What is Early/Middle College? How does it work? Why would students/parents choose this educational option? How does this get reported and auditing? Get your answers here. Presenters MDE and CEPI

FERPA 101 Training (1.5 hours): Review and discussion of real-life scenarios on FERPA and its applicability to your institution. Participants have an opportunity for interactive Questions and Answers. Improved understanding of FERPA and the context for the law. Reduced misconceptions/misunderstandings about FERPA. Presenter – Ross Lemke, Privacy Technical Assistance Center, US Department of Education

Green Audit Initiative (1.5 hours): Come and hear the exciting news about the Association's efforts to make Green auditing available to any ISD in Michigan AT NO COST TO THE ISD. You will learn how this system works, what benefits it may have for your ISD, and the rollout schedule. Presenters – Barbette Lane, Wexford-Missaukee ISD and Rob Dickinson, MPAAA Executive Director

Human Trafficking: Case Studies and Warning Signs (1.5 hours): Presentation on human trafficking case studies and warning signs in schools. Presenter – Special Agent Jeremy Ashcroft, FBI

Introduction to MS Access (1.5 hours): Please bring a laptop with Microsoft Access installed to this hands-on session as you will be going over the basics of Access and how you can use it to analyze data. A sample database will be distributed, and attendees will work through exercises to understand the basics of tables, queries, and reports. Presenter – Rob Dickinson, MPAAA Executive Director

Introduction to Pupil Auditing (3 hours): This introduction to pupil accounting auditing focuses on learning the basics of preparing for an audit, acronyms, quality control reviews and tips related to the audit narrative. Embedded in this session are tips on ways to connect and work with various officials with the Michigan Department of Education (MDE). Presenter – Barbette Lane, Wexford-Missaukee ISD

Legislative Update (1.5 hours): This session will provide an update on legislation that passed and/or pending this year that affects pupil accounting, auditing, and data submissions. The School Aid Act proposed legislation for 2017-18 will be highlighted. Presenter – Kelly Powers, Muskegon Area ISD, MPAAA Legislative Rep

OPPS: Teacher and Sub Requirements (1.5 hours): Description pending. Presenters – OPPS Staff

Pupil Accounting Auditing Reporting (3 hours): The well-rounded pupil accountant auditor will be exposed to many issues affecting funding for the districts under their auditing umbrella.

These two sessions provide information related to both CEPI applications/ processes (GAD, TSDL, General Collection, SRM) and the implementation of the Pupil Accounting Auditing Manual. Presenters – Barbette Lane, Wexford-Missaukee ISD and Leslie Shamel, Lapeer County ISD

Pupil Accounting Auditors in Action (3 hours): Learn from experts the critical information needed to create and manage pupil auditing functions that offers district staff with clear guidelines and appropriate support mechanisms.
