

Audit's Update – Table Discussions

Gloria Suggitt, Audit Manager
Jose Quintero, Audit Specialist
Michigan Department of Education

Jacob Sullivan, Pupil Auditing Supervisor
Clare-Gladwin Auditing Consortium

Small Group Framework

- Groups consist of those at your tables
- Topics will be provided for discussion
 - Don't allow these starters to limit team discussions
- Return for large group discussion

Topics

- Virtual Learning
- Work Based Learning
- Shared Time
- Alternative Education
- Early Middle College
- Residency
- Teacher Certification

Your Task

- What are 2-3 key issues with this subject that are problematic or area of concerns?
- What do you currently do that helps alleviate these issues or make them more manageable?
- What may be other solutions that would address these issues?
- Identify your top 3 best practices to present to the large group.

Next Steps

- Select a team speaker
- Present topics, problems, and solutions
 - Allow for others to discuss other potential solutions
- Discussion rules:
 - Be respectful
 - Tackle problems, not people
 - Allow everyone to participate, don't dominate the discussion
 - Agree to disagree
